**LONDON
2012**

Sunday 21st October 2012 - 5km RUN

The inaugural Tunnel 2 Towers Run London (Approx 5k) will take place on Sunday 21st October 2012.

Taking inspiration from the FDNY Tunnel to Towers Run organised by the Stephen Stiller Foundation (www.tunneltotowersrun.org) the run will start from Kings Stairs Gardens, Bermondsey, then through the Rotherhithe Tunnel, Wapping and finishing with a street party in Billingsgate Market within the shadows of the Canary Wharf towers in London's Docklands.

So whether you're from a Fire & Rescue Service, another 'Blue Light' Service, the Forces or just proud of the work we all do, come and join us. However, we only have spaces for 10,000 people. Entrance money and donations will go to a range of charitable organisations, but please use this event to raise funds for the cause close to your own heart.
